

**TOWN OF DAVIE
TOWN COUNCIL AGENDA REPORT**

TO: Mayor and Councilmembers

FROM/PHONE: Herb Hyman/797-1016

SUBJECT: Resolution

AFFECTED DISTRICT: n/a

TITLE OF AGENDA ITEM: A RESOLUTION OF THE TOWN OF DAVIE, FLORIDA, ACCEPTING THE BIDS FOR FERTILIZER.

REPORT IN BRIEF: The existing contract for fertilizer had an option to extend for an additional year. Incumbent vendors were asked if they were willing to extend the contract. Each vendor responded with a request for a price increase which was beyond what was allowable by the terms and conditions of the contract. Therefore, a new competitive bid was conducted for the supply of fertilizer which may be used by Public Works, Capital Projects, and Parks and Recreation Department. The Town acted as lead agency for the Southeast Florida Cooperative Purchasing Group for this bid. The Southeast Florida Cooperative Purchasing Group is made up of approximately 37 entities. Most of those entities are from Broward County although membership is available to entities in Dade, Broward, and Palm Beach Counties. The co-op meets and identifies commodities and/or services that are commonly bought by a majority of the entities. Once a commodity or service is identified that lends itself to co-op purchasing, one of the members volunteers to act as "lead agency" for the co-op group. The "lead agency" bids and awards the contract for the co-op group and handles any contract administration. The benefit of the co-op is two fold. Firstly, the co-op can obtain better pricing because of the buying power generated by combining quantities with other participating entities. Secondly, co-op members realize administrative cost savings by not having to put out as many contracts (i.e. you only put out those contracts that your entity is the lead agency on. All other contracts are put out by other co-op members). Joint procurement is permitted by Sec. 2-322 of the Town Code. The Town sent out specifications to thirteen (13) prospective bidders. Additionally, the bid was advertised state-wide in Florida Bid Reporting and nationally in BidNet and also posted on the Town's web site. The Town received six (6) responses (five (5) bids and one (1) "no bid" response). The recommendation is for the lowest responsive and responsible bidder for each item as identified in the recommendation memo and bid tabulation. The initial contract is a one (1) year term with options to renew for two (2) additional one (1) year terms by mutual agreement of the parties. Extensions, if appropriate, will be submitted to the Town Council for approval.
